

Eastside (Linstead Hall)

Price: Single - £176-200
 Double - £120

Heads:

1. All rooms, whether single or double, are en-suite
2. Every kitchen is equipped with stoves, electric kettles, ovens, refrigerators and freezers. One will have one's own lockable cupboard, the keys to which will be provided.
3. All common areas would be cleaned on a daily basis and rooms, fortnightly.
4. Rooms are large enough to do static exercises, but not large enough to play badminton.
5. Rooms come with desk lamps, desk, bed and bed frames. The standard.
6. Supermarkets are located 15 minutes away and are open till 2359 on weekdays.
7. There will be ample opportunities for one to get to know one's hall-mates, because kitchens are extremely comfortable and spacious for interactions. There are also on average 5 major events per term (e.g. Christmas Party/ Theme Park Visits/Musicals)
8. First timers into the hall would be stunned by the quality of the hotel. More than rivals any average hotel.
9. Gym is situated 100m from hall.

Tails:

1. The lift has a nasty habit to break down on my Laundry days which happens to coincide on weekends where we have to wait till Monday for maintenance to get it back up.
2. Fire alarm competing with the lift to annoy me. It would trip on average, once a week. On occasion, when it really feels up to it, it'll trip twice in a day, and there was once, at 3 AM!!

Conclusion:

1. Ideal for people who like to live near school. (A stone's throw away maybe used literally)
2. Ideal for people who love the thrill and excitement of fire drills.
3. Probably not ideal if you know you aren't going to the gym anyway. Though stair walking might do you some good.
